

Camera & Light Helmet Mounting Brackets

Camera and Light Mounts for Commercial Diving Helmets and Masks

C-Tecnics camera and light mounting brackets allow secure mounting of the diver's camera and light to the diving helmet port retainer. Compatible with nearly all available diving helmet models, these brackets are lightweight yet robust and built to withstand the rigours of underwater operations. Adjustable clams ensure that they are suitable for a range of different diameter housings. Compatible with C-Tecnics CT3015 camera and CT4006 LED light.

Order Code:

CT9004 (Single)

CT9005 (Pair)
